# CAR GAMES

Make your journey enjoyable with these engaging games.

## 20 Questions

Choose a person, place, or thing, and have everyone take turns asking yes-or-no questions to guess what it is. No more than 20 questions can be asked. The first to guess correctly goes next.

## I Spy With My Little Eye

Pick something in view and say, "I spy with my little eye something that begins with the letter..." Others guess what it is.

## ABC Game

Spot road signs and look for words that start with each letter of the alphabet, in order from A to Z. The first person to complete the alphabet wins.

## Name The Artist

Listen to songs on the radio and be the first to name the artist or band. Keep score and see who knows the most music by the end of the trip.

## What Color Is It?

Name items of the same color (e.g., fire engines, apples, stop signs) and have others guess the color.

## What's In My Cart?

Think of an item you might have in your cart at the grocery. Others ask questions to guess what it is, like "Is it found in the frozen food aisle?" The one who guesses correctly thinks of the next item.
